Dear Clarians,

It is with immense joy that St. Clare’s is going to celebrate her 90th anniversary in the academic year of 2016-2017. Over the past years, the school has committed to providing an excellent all-round education for students in the footsteps of St. Clare. Through the collaborative effort of dedicated teachers and close cooperation with parents and alumnae, our students have achieved outstanding performance both academically and in extra-curricular activities.

We are building a running path on the school campus to commemorate these years of remarkable progress of the school and to provide a facility for our sports teams for training and our students for P.E. lessons. We would greatly appreciate your continued support and commitment to the school by providing a financial donation for the above project. Your generous contribution will be invaluable in allowing us to realize our aspirations and future visions.

Attached please find the donation form and architectural plan & artist’s impression. Please return the form and the cheque to us on or before 7 October, 2016 if you would like to make donation.

We would like to express our gratitude to your support in advance. Your involvement will certainly make a difference to the success of the project. May God bless you and your family.

Yours sincerely,

[Signature]
