

St. Clare's Girls' School
Triennial Development Plan (2012-2015)

Aims:

1. To foster Clarians' qualities in line with Christian Cardinal Virtues of Prudence, Justice, Fortitude and Temperance.
2. To enable students to become active learners who strive for academic excellence.
3. To further strengthen accountability of teachers and students and build a sense of ownership to the school

Major Concerns (in order of priority)	Targets	Strategies	Time Scale		
			12/13	13/14	14/15
1. To foster Clarians' qualities in line with Christian Cardinal Virtues of Prudence, Justice, Fortitude and Temperance.	Prudence: To nurture students to become a truthful person by being honest and discerning.	<ul style="list-style-type: none"> ● Provide teachers with relevant knowledge of the cardinal virtues ● Teachers, committees and panels carry out activities and programmes to instill the cardinal virtues in students ● Award students who demonstrate these qualities ● Raise awareness of parents through parent education and encourage them to support students to practise the virtues in their life. 	√	√	√
	Justice: To learn to be a law-abiding citizen by respecting and treating others justly and fairly			√	√
	Fortitude: To resist temptations and act morally by being persevering, courageous and resilient.				√
	Temperance: To lead a simple life by being self-disciplined and considerate.		√		

Major Concerns (in order of priority)	Targets	Strategies	Time Scale		
			12/13	13/14	14/15
2. To enable students to become active learners who strive for academic excellence	a. To develop students' independent learning capacity by equipping them with self-learning skills.	● Familiarize teachers and students with self-learning skills through workshops	√	√	√
		● Encourage the application of self-learning skills in all subjects	√	√	√
	b. To develop students' proactive learning attitude.	● Revise curriculum and assessment practices to encourage self-learning e.g. cross-curriculum mini-projects, component of term marks	√	√	√
		● Provide opportunities / environment to enhance students' self-learning attitude e.g. e-learning platform, study corners, study groups	√	√	√
3. To further strengthen accountability of teachers and students and build a sense of ownership to the school	a. To empower teachers and students and enhance their accountability.	● Strengthen roles and responsibilities of student leaders	√	√	
		● Enhance involvement of students in running clubs and societies	√	√	√
		● Revise monitoring mechanism on teachers' duties and appraisal system.		√	√
	b. To develop teachers and students sense of ownership to the school.	● Cultivate a sense of ownership of all teachers and students through class activities.		√	
		● Strengthen the linkage with Past Clarians.		√	√
		● Build close linkage with the community and promote our school's values.		√
